

CASA DE LAGUNA OWNERS ASSOCIATION, INC.
A California Non-Profit Mutual Benefit Corporation

Release and Liability Waiver for COVID-19/Coronavirus

The novel coronavirus, COVID-19 ("**COVID-19**"), has been declared a worldwide pandemic by the World Health Organization ("**WHO**"), the State of California, and the County of Orange. COVID-19 is extremely contagious. The body of medical knowledge is evolving, but the virus is believed to spread through person-to-person contact and/or by contact with contaminated surfaces and objects, as well as by airborne particles. People reportedly can be infected and show no symptoms and still spread COVID-19. The exact methods of spread and contraction are unknown, and there is no known treatment, cure, or vaccine for COVID-19. Evidence has shown that COVID-19 can cause serious and potentially life threatening illness and death.

The health and safety of our residents is a top priority at **Casa de Laguna Owners Association, Inc. ("Association")**. We recognize the serious concerns of COVID-19 and are taking all appropriate measures to respond to the health and safety of our residents while using the Association's facilities.

The Association cannot prevent you or your fellow residents from being exposed to, contracting, or spreading COVID-19 while utilizing the Association's facilities, amenities, or premises. It is not possible to prevent against the presence of COVID-19. Therefore, if you choose to utilize the Association's services and/or enter onto any or all of the Association's pool facilities, other facilities, amenities, or premises (collectively "**Premises**") you will be exposing yourself to and/or increasing your risk of contracting or spreading COVID-19.

Accordingly, the Association will require that all residents who wish to use the Association's facilities and/or participate in any activities agree to the terms and conditions in this Release and Waiver of Liability.
