POOL NEWS

A new swim season is upon us. Please take time to review pool rules posted on bulletin board across from club house entrance on wall outside of restrooms. Remember you are responsible for your guests' compliance.

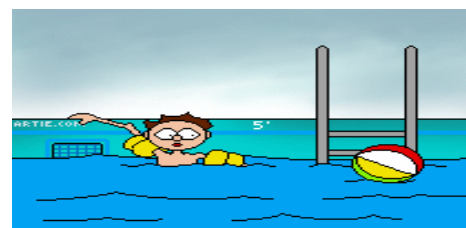

We are adding new pool furniture and more umbrellas. Several of these will be on wheeled bases. Please use these for additional shade and do not move tables with umbrellas. There are large plastic clips provided for all umbrellas with cords. Please use these instead of tying cords up.

There are numerous large gatherings each season; please make sure to secure decorations with painters tape or by tying only. Staples and tacks damage the gazebos and other tape takes paint off. We appreciate your cooperation in fully removing these items completely when your party is over. We would also appreciate you taking bulky trash items home with you (ex. Pizza and cake boxes) as they often get blown around and end up in pool.

Let management know if you see anything that needs to be addressed or if you have any suggestions.

The maintenance on the pool will be completed after the summer to allowing the pool to remain open.
