EAST LAKE VILLAGE SHORES COMMUNITY ASSOCIATION

ARTICLE I

GENERAL PLAN OF OWNERSHIP

Section 1.01. Name. The name of the corporation is EAST LAKE VILLAGE SHORES COMMUNITY ASSOCIATION, hereinafter referred to as the "Association." The principal office of the Association shall be located in Orange County, California.

Section 1.02. Application. The provisions of these By-Laws are applicable to the planned residential development known as EAST LAKE VILLAGE SHORES, located in the City of Yorba Linda, County of Orange, State of California (the "Project"). All present and future owners and their tenants, future tenants, employees, and any other person who might use the facilities of the Project in any manner, are subject to the regulations set forth in these By-Laws and in the Additional Declaration of Covenants, Conditions, Restrictions and Reservation of Easements for East Lake Village Shores (the "Additional Declaration" herein) recorded or to be recorded in the Office of the Orange County Recorder and applicable to the Project. The mere acquisition or rental of any Lot in the Project or the mere act of occupancy of any Lot will signify that these By-Laws are accepted, ratified, and will be complied with.

Section 1.03. Meaning of Terms. The following terms, as used in these By-Laws, shall have the same meanings as are applied to such terms in the Additional Declaration: "Additional Declaration", "Articles", "Association", "Association Maintenance Areas", "Board", "Capital Improvement Assessments", "Common Area", "Common Assessments", "Common Expenses", "Close of Escrow", "Declarant", " Dwelling Unit", "Family", "Improvement", "Lake Association", "Lot", "Master Declaration", "Manager", "Member", "Mortgage", "Mortgagee", "Owner", "Phase 1", "Phase of Development", "Person", "Project", "Special Assessments", and "Reconstruction Assessments."

ARTICLE II

VOTING BY ASSOCIATION MEMBERSHIP

Section 2.01. Voting Rights. The Association shall have two (2) classes of voting Membership, as follows:

Class A. Class A Members shall be those Owners with the exception of Declarant for so long as there exists a Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot owned and subject to assessment as further provided in the Additional Declaration.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each Lot owned by Declarant and subject to assessment, provided that the Class B Membership shall cease and be converted to Class A Membership on the happening of any of the following events, whichever occurs earliest:

(1) When the total votes outstanding in the Class A Membership equal the total votes outstanding in the Class B Membership; or

(2) The second anniversary of the original issuance of the most recently issued Final Subdivision Public Report for a Phase of Development of the Project; or

(3) The fourth anniversary of the original issuance of the Final Subdivision Public Report for the first Phase of Development of the Project.

Except as provided in Section 16.12 of the Additional Declaration, as long as there exists a Class B membership, any provision of these By-Laws which expressly requires a vote or written consent of a specified percentage of the voting power of the Association before being undertaken shall require the approval of such specified percentage of the voting power of each class of membership. Except as provided in Section 10.14, 16.05 and 16.12 of the Additional Declaration and Article VII of these By-Laws, upon termination of the Class B membership, and for so long as Declarant is entitled to exercise twentyfive percent (25%) or more of the voting power of the Association, any provision of these By-Laws which expressly requires a vote or written consent of Owners representing a specified percentage of the voting power of the Association shall then require the vote or written consent of Owners representing such specified percentage of both the total voting power of the Association and the voting power of the Association residing in Owners other than Declarant.

Section 2.02. Majority of Quorum. Unless otherwise expressly provided in these By-Laws or the Additional Declaration, any action which may be taken by the Association may be taken by a majority of a quorum of the Members of the Association.

Section 2.03. Quorum. Except as otherwise provided in these By-Laws, the presence in person or by proxy of at least fifty-one percent (51%) of the voting power of the Membership of the Association shall constitute a quorum of the Membership. Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

Section 2.04. Proxies. Votes may be cast in person or by proxy. Proxies must be in writing and filed with the Secretary in advance of each meeting. Every proxy shall be revocable and shall automatically cease after completion of the meeting for which the proxy was filed.

Section 2.05. Election of Delegates. Members shall elect, by secret written ballot, a Delegate to act on their behalf at meetings of the Master Association as provided in the Master Declaration. Each Delegate shall be a Member of the Association and the Master Association, and a Delegate shall be elected at each annual meeting of the Members or at a special meeting of the Members held for such purpose. Each Delegate shall hold office until his successor has been elected or until his death, resignation, removal or judicial adjudication of mental incompetence. The term of office of the Delegate elected at the first annual meeting and the term of office of each Delegate elected to fill a vacancy created by the expiration of the term of office of the respective past Delegate shall be one (1) year. The term of office of any Delegate elected to fill a vacancy created by the resignation, death or removal of his predecessor shall be the balance of the unserved term of his predecessor. For so long as there exists a Class B membership, the Delegate shall be elected only in accordance with the special election procedure set forth in Article IV, Section 4.05(b) of these By-Laws, and such Delegate may be removed from office prior to the expiration of his term of office only by the vote or written petition signed by at least a simple majority of the voting power residing in Members other than Declarant.

ARTICLE III

ADMINISTRATION

Section 3.01. Association Responsibilities. In accordance with the provisions of the Additional Declaration, the Association shall have the responsibility of administering the Project, maintaining the Common Area and the Association Maintenance Areas, approving the annual budget, and establishing and collecting all assessments authorized under the Additional Declaration.

Section 3.02. Place of Meetings of Members. Meetings of the Members shall be held on the Project or such other suitable place in Orange County as proximate thereto as practicable and convenient to the Members as may be designated from time to time by the Board of Directors.

Section 3.03. Annual Meetings of Members. The first annual meeting of Members shall be held within forty-five (45) days after fifty-one percent (51%) of the escrows for the sale of all of the Lots in the Project have closed or within six (6) months after the close of escrow for the sale of the first Lot in the Project, whichever occurs first. Thereafter, the annual meetings of the Association shall be held on or about the anniversary date of the first annual meeting. At each annual meeting there shall be elected by ballot of the Members a Board of Directors, in accordance with the requirements of Section 4.05 of Article IV of these By-Laws. The Members may also transact such other business of the Association as may properly come before them. Each first Mortgagee of a Lot in the Project may designate a representative to attend all annual meetings of the Members.

Section 3.04. Special Meetings of Members. It shall be the duty of the President to call a special meeting of the Members, as directed by resolution of a majority of a quorum of the Board of Directors, or upon receipt by the Secretary of a petition signed by Members representing at least five percent (5%) of the voting power of the Association. The notice of any special meeting shall be given within twenty (20) days after adoption of such resolution or receipt of such petition and shall state the time and place of such meeting and the purpose thereof. The special meeting shall be held not less than thirty-five (35) days nor more than ninety (90) days after adoption of such resolution or receipt of such petition. No business shall be transacted at a special meeting except as stated in the notice. Each first Mortgagee of a Lot in the Project may designate a representative to attend all special meetings of the Members.

Section 3.05. Notice of Meetings to Members. It shall be the duty of the Secretary to send a notice of each annual or special meeting by first-class mail, at least ten (10) but not more than thirty (30) days prior to such meeting, stating the purpose thereof as well as the day, hour and place where it is to be held, to each Member of record, and to each first Mortgagee of a Lot, which Mortgagee has filed a written request for notice with the Secretary. The notice may set forth time limits for speakers and nominating procedures for the meeting. The notice of any meeting at which Directors are to be

elected shall include the names of all those who are nominees at the time the notice is given to the Members. The mailing of a notice, postage prepaid, in the manner provided in this Section, shall be considered notice served, forty-eight (48) hours after such notice has been deposited in a regular depository of the United States mail. Such notice shall be posted in a conspicuous place on the Common Areas, and such notice shall be deemed served upon a Member upon posting if no address for such Member has been then furnished the Secretary. The Board of Directors may fix a date in the future as a record date for the determination of the Members entitled to notice of any meeting of Members. The record date so fixed shall be not less than ten (10) days nor more than sixty (60) days prior to the date of the meeting. Only Members, who on the record date for notice of the meeting are entitled to vote thereat, shall be entitled to notice of the meeting, notwithstanding any transfer of or issuance of Membership certificates on the books of the Association after the record date.

Section 3.06. Adjourned Meetings. If any meeting of Members cannot be organized because a quorum is not present, a majority of the Members who are present, either in person or by proxy, may adjourn the meeting to a time not less than five (5) days nor more than thirty (30) days from the time the original meeting was called, at which meeting the quorum requirement shall be the presence in person or by proxy of the Members holding at least twenty-five percent (25%) of the voting power of the Association. Such an adjourned meeting may be held without notice thereof as provided in this Article III, provided that notice is given by announcement at the meeting at which such adjournment is taken. If, however, such an adjourned meeting is actually attended, in person or by proxy, by Members having less than one-third (1/3) of the voting power of the Association, notwithstanding the presence of a quorum, no matter may be voted upon except such matters notice of the general nature of which was given pursuant to Section 3.05 hereof.

Section 3.07. Order of Business. The order of business at all meetings of the Members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) reading of minutes of preceding meeting; (d) reports of officers; (e) reports of committees; (f) election of inspector of election (at annual meetings or special meetings held for such purpose); (g) election of Directors and Delegate (at annual meetings or special meetings held for such purpose); (h) unfinished business; and (i) new business. Meetings of Members shall be conducted by the officers of the Association, in order of their priority.

Section 3.08. Action Without Meeting. Any action, which may be taken at a meeting of the Members (except for the election of Directors) may be taken without a meeting by written ballot of the Members. Ballots shall be solicited in the same manner as provided in Section 3.05 for the giving of notice of meetings of Members. Such solicitations shall specify (a) the number of responses needed to meet the quorum requirements, (b) the percentage of approvals necessary to approve the action, and (c) the time by which ballots must be received in order to be counted. The form of written ballot shall afford an opportunity to specify a choice between approval and disapproval of each matter and shall provide that, where the Member specifies a choice, the vote shall be cast in accordance therewith. Receipt within the time period specified in the solicitation of a number of ballots which equals or exceeds the quorum which would be required if the action were taken at a meeting and a number of approvals which equals or exceeds the number of votes which would be required for approval if the action were taken at a meeting at which the total number of votes cast was the same as the total number of ballots cast shall constitute approval by written ballot.

Section 3.09. Consent of Absentees. The transactions of any meeting of Members, either annual or special, however called and noticed, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum be present either in person or by proxy, and if, either before or after the meeting, each of the Members not present in person or by proxy, signs a written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 3.10. Minutes, Presumption of Notice. Minutes or a similar record of the proceedings of meetings of Members, when signed by the President or Secretary, shall be presumed truthfully to evidence the matters set forth therein. A recitation in the minutes of any such meeting that notice of the meeting was properly given shall be prima facie evidence that such notice was given.

ARTICLE IV

BOARD OF DIRECTORS

Section 4.01. Number and Qualification. The property, business and affairs of the Association shall be governed and managed by a Board of Directors composed of five (5) Persons, each of

whom, except for those appointed and serving as first Directors, must either be a resident Owner of a Lot in the Project, or an agent of Declarant for so long as Declarant owns a Lot in the Project. The authorized number of Directors may be changed by a duly adopted amendment to the By-Laws. Directors shall not receive any salary or compensation for their services as Directors unless such compensation is first approved by the vote or written consent of Members representing at least a majority of both the Class A and Class B voting power; provided, however, that (1) nothing herein contained shall be construed to preclude any Director from serving the Association in some other capacity and receiving compensation therefor, and (2) any Director may be reimbursed for his actual expenses incurred in the performance of such Directors' duties.

Section 4.02. Powers and Duties. The Board of Directors has the powers and duties necessary for the administration of the affairs of the Association and may do all such acts and things as are not by law or by these By-Laws directed to be exercised and done exclusively by the Members. The Board of Directors shall not enter into any contract for a term in excess of one (1) year, without the vote or written consent of the Members representing at least a majority of each class voting power, except for (1) any contract with a public utility company (such as Southern California Edison Company) which requires a term in excess of one (1) year, (2) a management contract the terms of which have been approved by the Veterans Administration or the Federal Housing Administration, and (3) prepaid casualty or liability insurance policies of not more than three (3) years' duration provided that the policies permit short-term cancellation by the Association.

Section 4.03. Special Powers and Duties. Without prejudice to such foregoing general powers and duties and such powers and duties as are set forth in the Additional Declaration, the Board of Directors is vested with, and responsible for, the following powers and duties:

(a) The power and duty to select, appoint, and remove all officers, agents, and employees of the Association, to prescribe such powers and duties for them as may be consistent with law, with the Articles, the Additional Declaration and these By-Laws; to fix their compensation and to require from them security for faithful service when deemed advisable by the Board.

(b) The power and duty to conduct, manage and control the affairs and business of the Association, and to make and

enforce such rules and regulations therefor consistent with law, with the Articles, the Additional Declaration and these By-Laws, as the Board may deem necessary or advisable.

(c) The power but not the duty to change the principal office for the transaction of the business of the Association from one location to another within the County of Orange, as provided in Article I hereof; to designate any place within said County for the holding of any annual or special meeting or meetings of Members consistent with the provisions of Article III, Section 3.02 hereof; and to adopt and use a corporate seal and to alter the form of such seal from time to time, as the Board, in its sole judgment, may deem best, provided that such seal shall at all times comply with the provisions of law.

(d) With the approval of Members representing at least two-thirds (2/3rds) of the voting power of the Association residing in each class of Members, the power but not the duty to borrow money and to incur indebtedness for the purposes of the Association, and to cause to be executed and delivered therefor, in the Association's name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations or other evidences of debt and securities therefor.

(e) The power and duty to fix and levy from time to time Common Assessments, Special Assessments, and Reconstruction Assessments upon the Members, as provided in the Additional Declaration; to fix and levy from time to time in any fiscal year Capital Improvement Assessments applicable to that year only for capital improvements; to determine and fix the due date for the payment of such assessments, and the date upon which the same shall become delinquent; provided, however, that such assessments shall be fixed and levied only to provide for the payment of the Common Expenses of the Association and of taxes and assessments upon real or personal property owned, leased, controlled or occupied by the Association, or for the payment of expenses for labor rendered or materials or supplies used and consumed, or equipment and appliances furnished for the maintenance, improvement or development of such property or for the payment of any and all obligations in relation thereto, or in performing or causing to be performed any of the purposes of the Association for the general benefit and welfare of its Members, in accordance with the provisions of the Additional Declaration. Subject to any limitations imposed by the Additional Declaration and these By-Laws, the Board of Directors shall have the power and duty to incur any and all such expenditures for any of the foregoing purposes and to provide,

or cause to be provided, adequate reserves for replacements as it shall deem to be necessary or advisable in the interest of the Association or welfare of its Members. The funds collected by the Board of Directors from the Members, attributable for replacement reserves, for maintenance, recurring less frequently than annually, and for capital improvements, shall at all times be held in trust for the Members and shall not be commingled with other assessments collected from the Members. Disbursements from such trust reserve fund shall be made only in accordance with the provisions of the Additional Declaration. Such Common Assessments, Reconstruction Assessments, Special Assessments and Capital Improvement Assessments shall be fixed in accordance with the provisions of the Additional Declaration. Should any Member fail to pay such Assessments before delinquency, the Board of Directors in its discretion is authorized to enforce the payment of such delinquent assessments as provided in the Additional Declaration.

(f) The power and duty to enforce the provisions of the Additional Declaration covering the Project, these By-Laws or other agreements of the Association.

(g) The power and duty to contract for and pay fire, casualty, errors and omissions, blanket liability, malicious mischief, vandalism, liquor liability and other insurance, insuring the Members, the Association, the Board of Directors and other interested parties, in accordance with the provisions of the Declaration, covering and protecting against such damages or injuries as the Board deems advisable (which may include without limitation, medical expenses of persons injured on the Common Area). The Board shall review, not less frequently than annually, all insurance policies and bonds obtained by the Board on behalf of the Association.

(h) The power and duty to contract for and pay maintenance, gardening, utilities, materials and supplies, and services relating to the Common Area and Association Maintenance Areas and to employ personnel necessary for the operation of the Project including legal and accounting services, and to contract for and pay for Improvements on the Common Area.

(i) The power but not the duty to delegate its powers according to law and to adopt these By-Laws.

(j) The power but not the duty to grant easements where necessary for utilities, sewer facilities and other public purposes over the Common Area to serve the Project.

(k) The power and duty to adopt such rules and regulations as the Board may deem necessary for the management of the Project, which rules and regulations shall become effective and binding after (1) they are adopted by a majority of the Board at a meeting called for that purpose, or by the written consent of such number of Directors attached to a copy of the rules and regulations of the Association, and (2) they are mailed or otherwise delivered to each Owner, they are posted in a conspicuous place in the Common Area, or recorded. Such rules and regulations may concern, without limitation, use of the Common Area; signs; parking restrictions; and any other matter within the jurisdiction of the Association as provided in the Additional Declaration; provided, however, that such rules and regulations shall be enforceable only to the extent that they are consistent with the Additional Declaration, the Articles of Incorporation and these By-Laws.

(l) The power and duty to keep, or cause to be kept, a complete record of all acts and corporate affairs of the Association and to present a statement thereof to the Members at the annual meeting of the Members and at any other time that such statement is requested by at least ten percent (10%) of the Members who are entitled to vote.

(m) The power but not the duty to appoint a Membership Committee composed of at least one (1) Director and at least one (1) Association Member at large. The Membership Committee shall be responsible for contacting all purchasers of Lots in the Project as soon as any transfer of title to a Lot is discovered. The Membership Committee shall further attempt to establish initial contact with all Members who are delinquent in the payment of any assessments or other charges due the Association.

(n) The power but not the duty to sell property of the Association, provided, however, that the prior vote or written approval of Members entitled to cast at least two-thirds (2/3rds) of each class of the voting power of the Association must be obtained to sell during any fiscal year property of the Association having an aggregate fair market value greater than five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

Section 4.04. Management Agent. The Board of Directors may appoint for the Association a professional management agent at a compensation established by the Board to perform such duties and services as the Board shall authorize, including, but not limited to, the duties listed in Section 4.03 of this Article IV.

Section 4.05. Election and Term of Office

(a) Directors shall be elected by secret written ballot of Members. At the first annual meeting of the Members, new Directors shall be elected by the Members as provided in these Bylaws, and all positions on the Board of Directors shall be filled at the election. In the event that an annual meeting is not held, or the Board is not elected thereat, the Board may be elected at any special meeting of the Members held for that purpose. Each Director shall hold office until his successor has been elected or until his death, resignation, removal or judicial adjudication of mental incompetence. The term of office of each Director elected to fill a vacancy created by the resignation, death or removal of his predecessor shall be the balance of the unserved term of his predecessor. Any person serving as a Director may be re-elected, and there shall be no limitation on the number of terms during which he may serve. Cumulative voting shall be used in the election of Directors for any election in which more than two Directors are to be selected, subject only to the procedural prerequisite to cumulative voting in the following sentence. A Member may cumulate his votes for any candidate for the governing body if the candidate's name has been placed in nomination prior to the voting and if such Member, or any other Member, has given notice at the meeting prior to the voting of such Member's intention to cumulate votes. If a Member cumulates his votes, such Member may cast a number of votes equal to the Member's share of the voting power as set forth in the Declaration, multiplied by the number of Directors to be elected.

(b) "At the 1989 Annual Meeting, the members shall elect three (3) directors for a term of two (2) years, and two (2) directors for a term of one (1) year. At the expiration of the initial term of office of each respective director, his/her successor shall be elected to serve for a term of two (2) years."

(c) Notwithstanding the foregoing, whenever (1) notice is given for an election of Directors of the Board and (2) upon such date the Members other than Declarant do not have a sufficient percentage of the voting power of the Association to elect at least one (1) Director through the foregoing cumulative voting procedure, such notice shall also provide for the following special election procedure. Election of one (1) Director shall be apportioned entirely to the Members other than Declarant. Any person shall be an eligible candidate for the special election upon receipt by the Secretary of a Declaration of Candidacy, signed by the candidate, at any time prior to the election. Such election shall be by secret ballot unless a majority of the Members other than Declarant determine otherwise. The person receiving a majority of the votes cast by the Members other than Declarant shall be elected a Member of the Board of Directors.

Amended July 26, 1989

Add Bylaws Article VI, Obligations of Members, Add Section 6.03, Legal Action.

Section 6.03. Legal Action. "If any member of the Association has any dispute and/or disagreement with the Association and/or its directors and/or officers and/or committee members and/or agents relative to the Association's CC& R's, Bylaws and/or Rules and Regulations, and/or that member's rights in said Association, no such member shall file any litigation of any nature whatsoever against the Association, its officers, directors, committee members and/or agents, until after that member petitions the Association's directors in writing, asking for a hearing within 60 days regarding said dispute, and said 60 days expires."

Section 4.05. Election and Term of Office.

(a) Directors shall be elected by secret written ballot of the Members. At the first annual meeting of the Members, new Directors shall be elected by the Members as provided in these By-Laws, and all positions on the Board of Directors shall be filled at that election. In the event that an annual meeting is not held, or the Board is not elected thereat, the Board may be elected at any special meeting of the Members held for that purpose. Each Director shall hold office until his successor has been elected or until his death, resignation, removal or judicial adjudication of mental incompetence. The term of office of each Director elected at the first annual meeting and the term of office of each Director elected to fill a vacancy created by the expiration of the term of office of the respective past Director shall be one (1) year. The term of office of each Director elected to fill a vacancy created by the resignation, death or removal of his predecessor shall be the balance of the unserved term of his predecessor. Any person serving as a Director may be re-elected, and there shall be no limitation on the number of terms during which he may serve. Cumulative voting shall be used in the election of Directors for any election in which more than two Directors are to be selected, subject only to the procedural prerequisite to cumulative voting in the following sentence. A Member may cumulate his votes for any candidate for the governing body if the candidate's name has been placed in nomination prior to the voting and if such Member, or any other Member, has given notice at the meeting prior to the voting of such Member's intention to cumulate votes. If a Member cumulates his votes, such Member may cast a number of votes equal to the Member's share of the voting power as set forth in the Declaration, multiplied by the number of Directors to be elected.

(b) Notwithstanding the foregoing, whenever (1) notice is given for an election of Directors of the Board and (2) upon such date the Members other than Declarant do not have a sufficient percentage of the voting power of the Association to elect at least one (1) Director through the foregoing cumulative voting procedure, such notice shall also provide for the following special election procedure. Election of one (1) Director shall be apportioned entirely to the Members other than Declarant. Any person shall be an eligible candidate for the special election upon receipt by the Secretary of a Declaration of Candidacy, signed by the candidate, at any time prior to the election. Such election shall be by secret ballot unless a majority of the Members other than Declarant determine otherwise. The person receiving a majority of the votes cast by the Members other than Declarant shall be elected a Member of the

Board in a co-equal capacity with all other Directors. The remaining Directors of the Board shall be elected through the customary cumulative voting procedure outlined above.

Section 4.06. Books, Audit. The Board of Directors shall cause to be maintained a full set of books and records showing the financial condition of the affairs of the Association in a manner consistent with generally accepted accounting principles. A pro forma operating statement (budget) for each fiscal year shall be distributed to the Members not less than sixty (60) days before the beginning of the fiscal year. A balance sheet and an operating (income) statement for the Association shall be prepared as of an accounting date which shall be the last day of the month closest in time to six (6) months following the date of closing of the first sale of a Unit to a Member, and shall be distributed to each Member (and to any institutional first Mortgagee of a Lot in the Project upon request) within sixty (60) days of such accounting date. Such operating statement shall include a schedule of assessments received or receivable itemized by Unit number and by the name of the person or entity assessed. Thereafter, the Board shall prepare and distribute to each Member (and to any institutional first Mortgagee of a Lot in the Project upon request), within ninety (90) days of the last day of the Association's fiscal year, an annual report as provided in the Declaration. All financial statements contained in any such annual report for any fiscal year in which the gross income of the Association exceeds \$75,000 shall be audited by an independent public accountant. In any fiscal year where such independent audit is not required the annual report shall include the certificate of an authorized officer of the Association that such statements were prepared without audit from the books and records of the Association.

All books, records, minutes and papers of the Association shall be made available for inspection and copying by any Member or his duly appointed representative at the principal office of the Association or at such other place within the Project as the Board may prescribe. The Board shall establish reasonable rules with respect to (1) notice to be given to the custodian of the records by the Member desiring to make the inspection, (2) hours and days of the week when such an inspection may be made and (3) payment of the cost of reproducing copies of documents requested by a Member. Every Director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association, and the physical properties owned or controlled by the Association. The right of the inspection by a Director shall include the right to make extracts and copies of documents.

Section 4.07. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a Director by a vote of the Members of the Association shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum; and each person so elected shall be a Director until a successor is elected at the next annual meeting of the Members of the Association, or at a special meeting of the Members called for that purpose. Vacancies on the Board of Directors caused by the removal of a Director by the Members can only be filled by the Board of Directors if such action is approved by a vote of a majority of the voting power of the Association residing in Members other than Declarant. A vacancy or vacancies shall be deemed to exist in case of death, resignation, removal or judicial adjudication of mental incompetence of any Director, or in case the Members fail to elect the full number of authorized Directors at any meeting at which such election is to take place. Any vacancy not filled by the Directors may be filled by vote of the Members at a special meeting of the Members called for such purpose.

Section 4.08. Removal of Directors. At any regular or special meeting of the Members duly called, any one or more of the Directors may be removed with or without cause by a majority vote of the Members of the Association, and a successor may then and there be elected to fill the vacancy thus created. Any Director whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting. If more than one Director is to be removed at any one time, each Member may accumulate his votes and vote for or against such removal of one or more of the Directors, exercising a number of votes equal to his share of the voting power as set forth in the Additional Declaration, multiplied by the number of Directors sought to be removed. Where the entire Board of Directors is not removed at one time, no Director shall be removed at any meeting if the number of votes cast against his removal or not consenting in writing to such removal, would be sufficient to elect such Director if voted cumulatively at an election at which the same total number of votes were cast (or, if such action is taken by written ballot, all votes entitled to be voted were cast) and the entire number of Directors authorized at the time of the Director's most recent election were then being elected. If any or all of the Directors are so removed at a meeting, new Directors may be elected at the same meeting. Notwithstanding the foregoing, any Director who has been elected to office solely by the votes of Members other than Declarant pursuant to Section 4.05 of this Article IV may be removed from office prior to the expiration of his term of office only by the vote of at least a simple majority of the voting power residing in Members other than Declarant.

Section 4.09. Organization Meeting of Board. The first regular ("organization") meeting of a newly elected Board of Directors shall be held within ten (10) days of election of the Board, at such place as shall be fixed and announced by the Directors at the meeting at which such Directors were elected, for the purpose of organization, election of officers and the transaction of other business. No notice shall be necessary to the newly elected Directors in order legally to constitute such meeting; provided that (1) a majority of the whole Board shall be present when the time and place are announced at the annual meeting and (2) the meeting is held on the same day and at the same place as the annual meeting of the Members at which the newly constituted Board was elected.

Section 4.10. Regular Meetings of Board. Regular meetings of the Board of Directors shall be open to all Members; provided that Members who are not Directors may not participate in any deliberations or discussions at such regular meetings unless expressly so authorized by a vote of a majority of a quorum of the Board of Directors. Regular meetings may be held at such time and place within the Project as shall be determined, from time to time, by a resolution adopted by a majority of a quorum of the Directors; provided, however, that such meetings shall be held no less frequently than quarterly. Notice of the time and place of regular meetings of the Board of Directors shall be given to each Director, personally or by mail, telephone or telegraph, at least seventy-two (72) hours prior to the date named for such meeting, and shall be posted at a prominent place or places within the Common Area.

Section 4.11. Special Meetings of Board. Special meetings of the Board of Directors shall be open to all Members; provided, that Members who are not Directors may not participate in any deliberations or discussions at such special meetings, unless expressly so authorized by a vote of a majority of a quorum of the Board of Directors. Special meetings may be called by the President (or, if he is absent or refuses to act, by the vice-president) or by any two (2) Directors. At least seventy-two (72) hours' notice shall be given to each Director, personally or by mail, telephone or telegraph, which notice shall state the time, place (as hereinabove provided) and the purpose of the meeting, and shall be posted at a prominent place or places within the Common Area. If served by mail, each such notice shall be sent, postage prepaid, to the address reflected on the records of the Association, and shall be deemed given, if not actually received earlier, at 5:00 o'clock p.m. on the second day after it is deposited in a regular depository of the United States mail as provided herein. Whenever any Director has been absent from any special meeting of the Board,

an entry in the minutes to the effect that notice has been duly given shall be conclusive and incontrovertible evidence that due notice of such meeting was given to such Director, as required by law and as provided herein.

Section 4.12. Waiver of Notice. Before or at any meeting of the Board of Directors, any Director may, in writing, waive personal notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver of personal notice by him of the time and place thereof. If all the Directors are present at any meeting of the Board, no notice to Directors shall be required and any business may be transacted at such meeting. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if (1) a quorum be present, (2) notice to the Members of such meeting was posted as provided in Section 4.10 of this Article IV, and (3) either before or after the meeting, each of the Directors not present signs such a written waiver of notice, a consent to holding such meeting, or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the records of the Association or made a part of the minutes of the meeting.

Section 4.13. Action Without Meeting. Any action required or permitted to be taken by the Board may be taken without a meeting, if all Directors individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors. An explanation of any action taken by unanimous written consent without a meeting shall be posted by the Board in a prominent place or places in the Common Area within three (3) days after the written consents of all Directors have been obtained.

Section 4.14. Quorum and Adjournment. Except as otherwise expressly provided herein, at all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If at any meeting of the Board of Directors, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such reconvened meeting, any business which might have been transacted at the meeting as originally called may be transacted

without further notice if a quorum is present. The Board may, with the approval of a majority of a quorum of the Directors, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved and orders of business of a similar nature. The nature of any and all business to be considered in executive session shall first be announced in open session.

Section 4.15. Fidelity Bonds. The Board of Directors may require that all officers and employees of the Association handling or responsible for Association funds shall furnish adequate fidelity bonds. The premiums on such bonds shall be paid by the Association.

Section 4.16. Committees. The Board of Directors, by resolution, may from time to time designate such advisory and other committees as it shall desire, and may establish the purposes and powers of each such committee created. The resolution designating and establishing the committee shall provide for the appointment of its members, as well as a chairman, shall state the purposes of the committee, and shall provide for reports, termination, and other administrative matters as deemed appropriate by the Board.

ARTICLE V

OFFICERS

Section 5.01. Designation. The principal officers of the Association shall be a President, a Vice President, a Secretary, and a Treasurer, all of whom shall be elected by the Board of Directors. The Board of Directors may appoint an Assistant Treasurer and an Assistant Secretary, and such other officers as in their judgment may be necessary. Officers other than the President need not be Directors. One person may hold more than one office.

Section 5.02. Election of Officers. The officers of the Association shall be elected annually by the Board of Directors at the Organization Meeting of each new Board of Directors, and each officer shall hold his office at the pleasure of the Board of Directors, until he shall resign or be removed or otherwise disqualified to serve or his successor shall be elected and qualified to serve.

Section 5.03. Removal of Officers. Upon an affirmative vote of a majority of the entire Board of Directors, any officer may be removed, either with or without cause, and his successor elected

at any regular meeting of the Board of Directors, or at any special meeting of the Board of Directors called for such purpose. Any officer may resign at any time by giving written notice to the Board or to the President or Secretary of the Association. Any such resignation shall take effect at the date of receipt of such notice or at any later time specified therein; and unless otherwise specified in said notice, acceptance of such resignation by the Board shall not be necessary to make it effective.

Section 5.04. Compensation. Officers, agents, and employees may be authorized or ratified by the Board; provided, however, that no officer shall receive any compensation for services performed in the conduct of the Association's business unless such compensation is approved by the vote or written consent of Members representing at least a majority of both the Class A and Class B voting power; and provided further, that (1) nothing herein contained shall be construed to preclude any officer from serving the Association in some other capacity and receiving compensation therefor, and (2) any officer may be reimbursed for his actual expenses incurred in the performance of his duties. Appointment of any officer, agent, or employee shall not of itself create contractual rights of compensation for services performed by such officer, agent, or employee. Notwithstanding the foregoing, no officer, employee or director of Declarant or any affiliate of Declarant may receive any compensation.

Section 5.05. President. The President shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of the President of a corporation, including but not limited to the power, subject to the provisions of Article IV, Section 4.16, to appoint committees from among the Members from time to time as he may in his discretion decide is appropriate to assist in the conduct of the affairs of the Association. The President shall, subject to the control of the Board of Directors, have general supervision, direction and control of the business of the Association. The President shall be ex officio a member of all standing committees, and he shall have such other powers and duties as may be prescribed by the Board of Directors or these By-Laws of the Association.

Section 5.06. Vice President. The Vice President shall take the place of the President and perform his duties whenever the President shall be absent, disabled, refuses or is unable to act. If neither the President nor the Vice President is able to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also

perform such other duties as shall from time to time be imposed upon him by the Board of Directors or these By-Laws of the Association.

Section 5.07. Secretary. The Secretary shall keep the minutes of all meetings of the Board of Directors and the minutes of all meetings of the Association at the principal office of the Association or at such other place as the Board of Directors may order. The Secretary shall keep the seal of the Association in safe custody and shall have charge of such books and papers as the Board of Directors may direct; and the Secretary shall, in general, perform all of the duties incident to the office of Secretary. The Secretary shall give, or cause to be given, notices of meetings of the Members of the Association and of the Board of Directors required by these By-Laws or by law to be given. The Secretary shall maintain a record book of Members, listing the names and addresses of the Members as furnished to the Association, and such books shall be changed only at such time as satisfactory evidence of a change in ownership of a Lot is presented to the Secretary. The Secretary shall perform such other duties as may be prescribed by the Board of Directors.

Section 5.08. Treasurer. The Treasurer shall be the chief financial officer of the Association and shall have responsibility for Association funds and securities and shall be responsible for keeping, or causing to be kept, full and accurate accounts, tax records and business transactions of the Association, including accounts of all assets, liabilities, receipts and disbursements in books belonging to the Association. The Treasurer shall be responsible for the deposit of all monies and other valuable effects in the name, and to the credit, of the Association in such depositories as may from time to time be designated by the Board of Directors. The Treasurer shall disburse the funds of the Association as may be ordered by the Board of Directors, in accordance with the Declaration, shall render to the President and Directors, upon request, an account of all of his transactions as Treasurer and of the financial conditions of the Association, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or these By-Laws.

ARTICLE VI

(a) All Members are obligated to pay, in accordance with the provisions of the Additional Declaration, all assessments imposed by the Association to meet its Common Expenses.

(b) All delinquent assessments shall be enforced, collected or foreclosed in the manner provided in the Additional Declaration.

Section 6.02. Maintenance and Repair.

(a) Every Member must perform promptly, at his sole cost and expense, such maintenance and repair work on his Lot as is required under the provisions of the Additional Declaration.

(b) As further provided in the Additional Declaration, each Member shall reimburse the Association for any expenditures incurred in repairing or replacing any portion of the Common Area owned by the Association which are damaged through the fault of such Member. Such expenditures shall include all court costs and reasonable attorneys' fees incurred in enforcing any provision of these By-Laws or the Additional Declaration.

ARTICLE VIII
