

# **Approved Roll-up Steel Garage Doors**

**The Eldorado Lakes Board of Directors has approved a recommendation by the Architectural Committee to allow homeowners to install roll-up steel garage doors.**

**An “Architectural Request” application (see Eldorado Lakes Website for proper form) is required to be forwarded to the Board of Directors and the door requested must meet the architectural guidelines. One manufacturer and one style have been approved:**

**Amarr Garage Doors  
Heritage Series  
Four panel  
Paint: Dunn-Edwards  
Weathered Brown V901E Permasheen  
Raised long panel**
