

# EL DORADO LAKES HOMEOWNERS ASSOCIATION

## ARCHITECTURAL REQUEST

### GENERAL ALTERATIONS/REPLACEMENTS

ALL WORK MUST BE COMPLETED WITHIN 90 DAYS OF APPROVAL

(Unless otherwise approved for construction)

Your signature, on this request form, assures ELHA that you understand the terms of this approval and agree to abide by stated descriptions and requirements or be subject to violation of the ELHA Architectural Standards and Procedures. All information must be provided, signed where indicated, and submitted prior to work being commenced. Incomplete forms may be subject to delayed approval pending completion of requested information.

Both sides must be completed or request will be denied

### NEIGHBOR AWARENESS

You are requested to advise your immediate neighbors that workmen will be on your property. If access to your neighbor's property is required for any painting or construction, prior approval for such work must be obtained. Notify your contractors that they will be responsible for any damage done to neighbor's property.
