

Have YOU Attended a Board Meeting Lately?
How A Board Meeting Is Run

1. The Board meeting is a meeting of the Directors of the Corporation (of which YOU are a member!).
2. As homeowners, you have a vested interest in your community, and you elected the Board members to take care of those interests.
3. Business matters come before the Board when a motion is made, and seconded. Each motion has a discussion period before a vote is taken. This discussion is to take place only between the Board members (and with management, if needed).
4. When a vote on a motion is taken, it is voted on by the Board members only.
5. If you would like an item to be considered by the Board to be on a future agenda for a decision, please submit your request or suggestion in writing at least a month before the next meeting. If you only want to verbally address the Board, you should plan on participating in the Open Forum portion of the meeting. (Note: The Board may be unable to make decisions on items until they have done the proper research and had time to consider their findings.)

If you have any questions about our Board meeting procedures, please contact our manager.
