

## Some Things To Think About...

- **If you had to identify** the time or moment in your life when you felt the most free, when was it?
- **If you had to name** the most difficult good-bye you've ever said, what would it be?
- **If you had to describe** yourself as a child in one word, what would that word be?
- **If you had to describe** the moment in your life when you had to have the most courage, what would you say?
- **If you had to name** the one possession that means the most to you, what would it be?
- **If you could have** one person you've lost touch with call you up tonight and invite you to dinner, who would you want it to be?
