PACIFIC SHORES CYCLING GROUP

A group of Pacific Shores residents has begun taking weekly bicycle rides, and would like to extend an invitation to all residents who are interested in joining us. The group drives to local paved, off-street trails, and leaves Pacific Shores at 9:00 AM on most Fridays. The rides are at a moderate pace (10-12 mph) and are usually about 15-20 miles long. Some of our recent rides have been North Beach along PCH to Doheny Beach, and then up the San Juan Creek Trail, The San Diego Creek trail in Irvine to the Newport Back Bay, and the San Luis Rey River Trail in Oceanside. We usually end the ride with an informal lunch, and return home by early afternoon. If you are interested in joining us, contact Bill Rhodes at wrhodes2@gmail.com or (504) 723-6935.

LANDSCAPE OF THE MONTH!

The Association takes pride in the beautification efforts of it's members! Moving forward, each monthly newsletter will highlight a Pacific Shores member that has taken the steps to thoughtfully improve the appearance of the neighborhood through their landscape and hardscape designs. Winners will be featured in the monthly newsletter. Join us in congratulating 77 Via Santa Maria!
