**LANDSCAPE WALKS**

The San Lorenzo community manager, representatives from the landscape contractor, and members of the community participate in a landscape and community walk normally on the 1st Tuesday of each month.

It is normal for HOA Board members to join the walk to better understand what work has been completed and what work may be proposed to be conducted in the community. No decisions are made on the walk. All proposals are acted upon in Monthly HOA Board General Meeting sessions.

Community members are welcome to join the walk and learn about the work underway to replace and maintain community trees, plants & shrubs. Planned Landscape walks for 2023 include Tuesday: February 14 @ 9:30am, March 7, April 4, May 2, June 6, July 18, August 1, September 5, October 3, November 7, December 5.
