

Villas De Las Flores Homeowners Association

President's Report

February 23, 2019

It is hard to believe were through two months of 2019 already. While the rest of the country has been an inundated with snow and freezing cold temperatures we've enjoyed some sunny warmth in between the various rainstorms. It looks like California's on track to have a wetter than normal winter which bodes well for us. It certainly has reduced the amount of watering that we typically have done during the winter.

As we move toward spring your Board is moving forward on a number of fronts. Our treasurer is working on next year's budget, the Landscape Committee is working on the next pool projects' designs and we are finalizing updates to our bylaws and CC&Rs.

It's getting time to plan for our annual meeting. If you have an interest in serving on the Board please make sure you fill out the recently mailed out forms. We can always use another volunteer!

As always we are here to serve you and welcome your interest in what we do.

Respectfully submitted,

Scott Gaudineer
