## **MARCH 17, 2020 - IMPORTANT NOTICE TO ALL VDLF HOMEOWNERS**

The COVID-19 (Novel Coronavirus) is impacting business and government operations across the US. Entities in both private and public sector, are seeking solutions to mitigate risk of exposure to the pathogen. This has included numerous businesses, schools etc., shutting their doors until the risk is over.

From California's Governor Newsom "The California recommendations say small events at venues that do not allow 6 feet of space between people should be postponed or canceled. Gatherings of people at high risk of severe illness from COVID-19 should be limited to no more than 10."

The Board of Directors as of the date of this notice is following suit and are canceling all in-person board meetings until further notice. This includes the regular meeting on March 28, 2020. We will keep you posted on the April meeting, if and when it will take place.

Personalized Property Management has also closed its doors to foot traffic until further notice. Shelly and Caren, as usual can be reached by phone or email and Mark See in the work order department, at the number above or by email.

Stay well friends!
