Treatment Date: **10/7/2024**

Technician(s) should arrive between: **8:30 AM - 3:00 PM**

Association/HOA Instructions:

- **Please note** it is the responsibility of the Association/HOA to contact the landscaper to assure that the following instructions are followed and treatment is completed as scheduled.
- **Shut off all irrigation** no later than 6 PM the evening before treatment and keep off until 9 PM the day of treatment.
- **NO landscaping** projects and/or mowing to be done on the day of treatment.
- **Gate Access:** If gate code is needed for access to association, please provide the current code to assure access the day of treatment. Your current code is on record as **(Not Applicable)**. Please also provide an outside of business hours contact number for our technicians should they be unable to access the property.
- **If applicable**, inform your residents that we will be on property (date/time above) and if they have any pets (animals) to keep indoors or in a secure enclosed area outdoors while our technicians are on property for safety precautions.

Please note a treatment may/will be cancelled by our Field Supervisor/Technician due to weather or if irrigation/mowing instructions are not being followed at time of arrival.

Cancellations/Rescheduling:

- Contact our office immediately if you need to change or cancel the date of treatment
- If you need to cancel treatment please notify our office 72 hours/3 days before the treatment date

Product Information:

- Control products are water soluble and will render ineffective when in contact with water.
- Control Products are made at a very low dosage, enough to kill an ant and will not harm pets.

If you have any questions/concerns please feel free to contact our office.

Thank You,
