

# VILLAS DE LAS FLORES

## JANUARY 2025

### TURF

**Mowing** – Mowing will be completed as needed due to the dormant Bermuda grass.

**Fertilization** – No fertilizer will be applied this month.

**Herbicide** – No application is scheduled. If scheduled homeowners and management will be notified in advance.

### SHRUBS

**Focus pruning** – Natural pruning will be completed to plants on property.

**Plant Replacement** – None scheduled this month.

### TREES

**Scheduled Trimming** – No tree trimming is scheduled this month.

### HIGHLIGHTS

**Notes:** January is the coldest month of the year. Growth has slowed for most plants. There is a good possibility of frost. Limit shrub pruning. Do not remove any frost damaged foliage at this time.
