1 EMERGENCY! 911

An emergency is any serious situation where a law enforcement officer, fire fighter, or emergency medical help is needed right away. If you are unsure of whether your situation is an emergency, go ahead and call 9-1-1. The 9-1-1 call taker can determine if you need emergency assistance and can route you to the correct location.

2 NON-EMERGENCY (760)327-1441

If you witness something suspicious please contact us so we can look into your concern. Our dispatch center will ask for information to relay to responding personnel. Our response time may be impacted by other priority calls for service.

3 VIA APP

"MyPalmSprings" is an app that is available via Android and iOS. Although primarily used to report nuisance issues, the app gives the user the ability to photograph and/or document an issue as it is witnessed. Complaints are sent electronically to our dispatch center and/or our Code Compliance division for resolution.

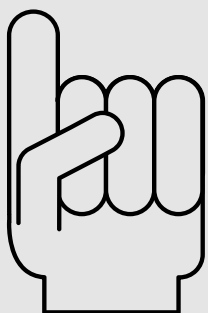

4 REQUESTING OFFICER CONTACT

As the reporting party of an incident please let the dispatcher know if you would like the responding officer to contact you in person or by phone. You may wish to remain anonymous and request no contact. "Officer Contact" in most cases, is not requested and no follow-up is provided to the caller.
