RE: Chemical Application Schedule - Update

kholthe@cardinal-online.com

Westpark Las Palmas Association

Dear Karen Holthe,

Attached you will find the latest update to the chemical application schedule for all of the properties we serve. Only a handful of these products are likely to be used at your site.

We at Bemus understand and value the organic movement and how quickly it is evolving. As such, we strive to minimize the use of synthetic chemicals whenever possible. Our expert staff has in-depth experience employing best management practices to promote sustainability at each property we maintain.

This is for your information only. Should you have any questions, please contact us at 888-557-7910 or info@bemus.com.

Thank you,

Bemus Landscape, Inc.
